Please post the job announcement below.

City of Alma, Arkansas - Planning Director

The City of Alma is seeking an experienced planner for a startup Planning Department. This position involves a broad range of responsibilities, with an emphasis on program initiation. As a sole Planner, this position offers an opportunity for the successful candidate to build skills in a wide variety of areas, including long range planning, development reviews, infill/redevelopment projects, urban design exercises, GIS analysis and mapping, and zoning inspections/compliance. The ideal applicant will have strong written and verbal communication skills, the ability to interact positively with the public and fellow staff members and a proven ability to manage multiple projects simultaneously.

The Planning Director should possess a Bachelor's degree in urban planning or a closely related field and at least five years of experience in the planning profession. Three to four years of supervisory experience a plus. A Master's degree and AICP certification preferred. Preference may be given to applicants possessing qualifications above the minimum. Starting salary \$47,100 – \$53,250, depending on qualifications
