

## **PLANNER II (DEVELOPMENT)**

### **LAFAYETTE CONSOLIDATED GOVERNMENT**

Copy for use in outside posting for Planner II (Development)

8.21.18

Planner II (Development) -- This is professional planning work of an advanced level related to the administration and implementation of the Unified Development Code, and establishing and maintaining development compliance with the comprehensive plan, PlanLafayette. Responsibilities include research and data analysis on housing, land use, and infrastructure; and the presentation of reports to Boards, Commissions, organizations, and groups. Incumbents also work with engineers, architects, developers, other LCG departments, and the general public on review of commercial and residential construction applications, building permits, site plans and/or annexations. Current opening has a focus on annexations, and policy development, cost benefit analyses, and interdepartmental coordination with regard to the same. Master's Degree in Urban Planning or closely related field, plus two years of work experience in planning or related, and experience with data mapping in GIS, or an equivalent combination of education and experience desired. Applicants are required to have professional planning experience in at least one of the following areas: Transportation Planning, Development Review, Addressing, Land Use Regulation, Zoning Enforcement, Annexation, or Environmental Planning. Accepting the first 20 completed applications received by noon on Monday, September 10, 2018. \$3,528-\$4,410/month/DOE. Strong benefits and civil service protection. See the Lafayette Consolidated Government, Civil Service Office, 705 W. University Ave., Lafayette, LA, or [www.lafayettela.gov](http://www.lafayettela.gov) for deadline and applications or call 337-291-8330. EOE.
