

...solutions for a dynamic world®

POSITION ANNOUNCEMENT

ENTRY-LEVEL TRANSPORTATION PLANNER

To build on what you have learned while earning your graduate degree, please consider joining our team to help us continue making a positive impact in our world.

WHAT WE DO

How we have positively impacted our communities so far:

- Enhanced public transit services throughout the Commonwealth of Pennsylvania
- Improved the movement of freight in Virginia, South Carolina, Florida and Pennsylvania
- Developed grant applications that have been awarded tens of millions of dollars to provide more transportation options in Broward County, Florida and the City of Philadelphia
- Established a long-term vision to expand public transit services in Tulsa, Oklahoma

QUALIFICATIONS AND COMPETENCIES

What you will need to join our team of professionals:

- A graduate degree (i.e. Master's) in urban planning, public administration, economics or a related field
- Must work well individually and as part of a team
- Exhibit self-motivation and problem-solving skills
- Possess strong quantitative and interpretive abilities
- Have excellent oral and written communication skills

BENEFITS AND REWARDS

How we are committed to helping build your career and achieve a work-life balance:

- Performance-based bonuses and 401(k) match
- Three weeks paid time off and 10 paid holidays
- Medical, dental and vision coverage
- Professional membership reimbursement
- A private office with a door

LOCATION OF POSITION

Fort Lauderdale, FL (relocation stipend available, if necessary)

As you expand your future career options, please allow us to consider you for our team by sending a resume and cover letter to mrigal@whitehousegroup.com.
